Lisa,

it is a pleasure to e-meet you.

If it is not too much hassle for you, I would love to preview the space via FaceTime call?

I am available any time on Wednesday or Friday afternoon (please note I am in CET timezone).

Sincerely,  
Izabela

Dear Lisa,  
We are still keen to move into the gallery. Iza and Sergey were keen to see it in person. Given the time restrictions, may I suggest that they arrange a FaceTime visit this week? So that we do not lose the opportunity. We are ideally hoping to be in a new space by March 1st. Iza just wanted to be sure that it was a nice work space for the team. Many thanks,  
A

Dear Alexander,

I just got an offer for a temporary rental that would run from March 6 - April 10th. I'll likely take it, but wanted to let you know, as this would affect your possible sublease. Let me know your thoughts.

kindly,

Lisa
